*State Certification - Successful completion of an approved safe boating course, such as Boat Texas, fulfills the Texas boater education requirements and entitles you to state certification from Texas Parks & Wildlife. State Certification is mandatory in Texas for boaters born on or after September 1, 1993, operating power vessels with more than 15 horsepower or windblown vessels over 14 ft.

Boating topics covered in the state certification courses include boating terms, state & federal requirements, trailering, navigation rules, aids to navigation, knot tying, boat handling, personal watercraft, emergencies, and more.
